

Graphic Designer for Innovative Projects and Graphic Design Support (Intern/Associate)

Project Title	Graphic Designer for Innovative Projects and Graphic Design Support (Intern/Associate)
Project Summary	Have you been called a creative genius? Do you know how to turn ideas and words into meaningful graphic design? We are looking for Graphic Designer (Intern/Associate) to join our team at the Securing Water for Food Technical Assistance Facility!
Country	United States
Agency	Agency for International Development
DoS Office	N/A
Post	N/A
Section	N/A
Number of Interns	3

Project Description

About You: You know who you are. You are a cut above the rest. You are more than a technician who knows how to operate Adobe InDesign or Photoshop or other graphic design programs. You are a designer. You want to build an outstanding and varied portfolio. You want to make a difference in the world. You are interested in contributing to graphic design projects that have the potential to change minds and lives.

What We Need: Graphic design assistance in a number of categories, including web graphics, design and development of layouts for materials, providing updates to current files and documents, updating and simplifying PowerPoint graphics and charts that can be used for investor presentations, logos, social media graphics, developing new products, etc.

Our intern/associate will be responsible for incorporating current design trends, exercise good judgment when interpreting instructions and identify the strengths and weaknesses of alternative solutions, and bring effective visual ideas from concept through to completion.

QUALIFICATIONS

- A current portfolio (can include school project work and work done outside of school) showing your best work
- Working towards a BA, certificate, or higher degree from a fine arts program/graphic design school
- Experience with Adobe InDesign, and proficiency in Adobe Photoshop, Adobe Illustrator, and Word Press
- Knowledge of Mac OS and software upgrades and proficiency in Microsoft Office programs
- Must be a team player and flourish in a fast-paced, deadline-oriented environment

- Open to constructive criticism and customer feedback
- Interest in contributing to an international development project
- Interest in supporting small and medium-sized businesses in emerging markets

Please state your availability (start and end date) and the number of hours per week you can work in your application.

Thanks!
